

# SC6000AT/ET

- **Intel PENTIUM 4 2.26 GHz CPU**
- **WINDOWS2000/XP Professional compliant**
- **AGP graphics**
- **Tower or Desktop case**
- **48 speed IDE CD-ROM drive**
- **Fibre Ethernet options**

## **SC6000AT/ET SERIES TEMPEST COMPAQ COMPUTER**

The SC6000AT/ET TEMPEST Pentium Computer from SECURE COMPUTER SYSTEMS is based on the Compaq EVO D510 range of computers and is the latest addition to a successful family of desktop PC's.

The SC6000AT/ET series represents the ultimate TEMPEST computer for demanding users in rigorous, multitasking environments.

The SC6000AT/ET delivers a high level of processor performance utilising *Intel's* Pentium 4 2.26GHz processor. This, combined with 845G Chipset, Integrated 8-48MB AGP Graphics, 533 MHz Front Side Bus and up to 2GB of DDR SDRAM provides leading edge technology.

The SC6000AT/ET has all the standard features expected of modern PCs, together with additional features such as Intelligent Manageability and ease of serviceability.

The SC6000AT PC is TEMPEST certified to NATO Zone 1 (AMSG788A) and the SC6000ET PC is TEMPEST certified to NATO Zone 2 (AMSG784).

## SPECIFICATION PENTIUM 4 TEMPEST PC SC6000AT

<b>Processor</b>	Intel Pentium 4 processor 2.26GHz
<b>Cache</b>	Internal – 12KB 2 <sup>nd</sup> Level – 512KB
<b>Memory</b>	256MB DDR SDRAM Expandable 2GB
<b>Bus Speed</b>	533 MHz Front Side Bus
<b>Expansion</b>	3x PCI slots, 1 AGP slot 2x External 5.25" bays
<b>Disk Controller</b>	Integrated PCI Ultra ATA/100 controller
<b>Interface Ports</b>	Two serial RS232C ports One Centronics compatible parallel port (ECP, EPP) Optional 10Mbps or 100Mbps FOIRL Ethernet connection STII, or SC or MTRJ
<b>Keyboard</b>	Keyboard port with 105 UK windows keyboard (International models available) Optional smart card access
<b>Video Controller</b>	AGP 8-48 Graphics controller
<b>Mouse</b>	Two button scroll mouse.
<b>Display Options</b>	SM15AT 15" CRT monitor SL15AT 15" LCD Display SM17AT 17" CRT monitor
<b>Disk Drives</b>	1.44MB, 3.5" diskette drive 40.0 GB Ultra ATA /100 Removable Hard Drive
<b>CD-ROM</b>	48-speed CD-ROM drive
<b>Regulatory Compliance</b>	SC6000AT TEMPEST to AMSG788A SC6000ET TEMPEST to AMSG784 EMC to: EN55022 Monitors MPRII/TCO99 Safety to EN60950 CE Compliant
<b>Power Management</b>	Energy Star certified DPMS compliant

<b>Power Requirement</b>	110 or 230 VAC 47-63 Hz	
<b>MECHANICAL</b>		
System Unit	387mm 495mm 145mm 12Kg	Width Depth Height Weight
Monitor (SM15AT)	356mm 379mm 369mm 11.8Kg	Width Depth Height Weight
Keyboard	470mm 174mm 42mm 1.8Kg	Width Depth Height Weight

<b>ENVIRONMENTAL</b>	
Temperature	+10°C to +35°C Operating
Humidity	10% to 80% RH NC Operating
